**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The prior art does not disclose or suggest the claimed "said interface device having a lateral surface, at least one sector of the lateral surface being accessible and protruding from said face side" in combination with the remaining claim elements as set forth in claim 1.
4. The prior art does not disclose or suggest the claimed "said roller having at least one sector of its lateral surface accessible and protruding from said face side" in combination with the remaining claim elements as set forth in claims 16 and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Please amend the first two lines of claim 9 to read as follows:

"Method of management and control of a digital watch according to claim 2, comprising the steps of:"
